## Acknowledgement

The study team of DevResonance expresses deepest appreciation to Health Economics Unit of Health Services Division, Ministry of Health and Family Welfare for providing us with the opportunity to conduct this study.

We are immensely grateful to relevant officials of 3 departments – ‘Information, Education & Motivation (IEM) Unit under Directorate General of Family Planning (DGFP), Bureau of Health Education and Institute of Public Health Nutrition (IPHN) under Directorate General of Health Services (DGHS) for their professional support at all stages of the study.

We are especially indebted to Health Economic Unit including Gender, NGOs and Stakeholder Participation Unit (GNSPU) for their thought-provoking ideas and constructive suggestions at various stages of the study. Their whole-hearted support has enabled us to look at various issues from less obvious perspectives.

We gratefully acknowledge Director General of Health Economics Unit of Health Services Division for his support and guidance. The study would not have been successful without his keen interest and profound support.

Finally, we are thankful to Mr. Md Ashadul Islam, Secretary of Health Services Division of MoHFW for his presence and suggestions on this study in the national dissemination seminar.

On behalf of the DevResonance team

Prof. Fahmidul Haq, PhD  
Study Team Leader
